

This year brought many changes, including an overhaul of the U.S. tax code. Check out the first article below to learn more about the new laws, and how tax reform may influence your personal giving. Even in the midst of change, AMCP and the AMCP Foundation remain your biggest advocates. In 2018, AMCP marked 30 years representing managed care. We are proud of AMCP's legacy of service, and prouder still that the AMCP Foundation is the home for philanthropy within managed care pharmacy. No matter the tax code, pharmacists and managed care professionals are investing in the next generation by supporting the educational opportunities offered by the AMCP Foundation. 'Tis the season to say *thank you!*

Wishing you meaningful gifts, good cheer and great things as 2018 comes to a close,  
**Paula, Ebony and the AMCP Foundation team**
