

One of the AMCP Foundation's newest endeavors is estate planning. So many of us feel we can only afford to donate a limited amount year to year. That's okay; those concerns are normal—and all gifts are welcomed. But a deferred gift may enable you to do more than you thought possible. With a little planning, you can include a gift to the Foundation within your overall estate or financial plans that preserves our mission and provides you with tax benefits in return. By making a deferred gift to the Foundation, you help strengthen our ability to further advance the patient care role of managed care pharmacy well into the future. There are so many ways you can make a difference! Explore this site and [let us know what additional resources we can provide.](#)
